

Mail By Device Report

Notification created by dlwagner on 12/17/2013 09:24:26

Notice Sent:

01/05/2014 midnight - 8:00 AM

The Router/Switch Code Upgrade has been CANCELLED. As a result, most hardwired connections should remain up and working throughout the maintenance window. Any service interruption should be brief. All other network maintenance will proceed as planned.
